

Finest Golfers In Area Set to Tee Off Here

South Bay area's finest high school golfers will tee off Friday at Alondra Park in the second annual North High Golf Tournament.

The locals will send their ace linksters into the senior division. Steve Crowell will be up against such talent as Garth Reynolds of Inglewood, Wayne Whites of Leuzinger and John Hansen of Mira Costa.

Crowell is the only member of the Pioneer League Champion Saxons eligible to enter the senior division.

Whites is expected to provide stiff competition as the Leuzinger youth garnered third place in the recent Inglewood Invitational.

Allan Goodman of Santa Monica is a favorite in the open division. North's possible entrants who loom as potential winners include Tony Mance, Nick Urban and Ron Hull. Doug Wilsie of Morningside has an outside chance of dumping the other entrants.

Entries were hurt this year, according to Coach Dick Winn, because of the CIF finals scheduled for June 2 at Brookside Park.

El Camino College will assist North High in sponsoring the tournament which will get under way at 12:30 p.m.

Dave Scott of North High took the senior honors last year with a three over par '75.

Track Team Takes Second

The midget track team at Normandale playground won the Harbor area district meet held May 11 at Banning High School by amassing a staggering 27 points. This is the first time in the history of the meet that the locals have won any division.

Bill Mullins was the big scorer for the Torrance boys with a 6.9 victory in the 50 yard dash, a 14' 2" win in the

broad jump and a 41 foot first place shot put. Rex Dreher, who was the smallest lad entered, cleared 4' 3" to grab second place in the high jump. Mike Malone tallied for the locals with second place in both the 50 yard dash and the shot put.

The relay team composed of Steve Gunther, Roger Renfro, Dick Hiekmann and Mike Malone dropped their baton but still managed to place second.

Don Mitchell was the lone entry in the senior division and he came through with a stunning upset victory in the broad jump with a leap of 17' 8". His five points coupled with the 27 scored by the midgets let Normandale garner second place in the overall scoring.

Rancho San Pedro won the title as they amassed 34 points. Fourteen playgrounds entered the competition.

1. Each member of the group should be alerted to the dangers of the area, slides, cliffs, snakes, etc.

2. Stay to the trails, and obey the posted signs.

3. Use the triple-buddy system, so that if someone is injured, there will be a man able to go for aid and one to remain with the injured person.

4. Go prepared. Wear adequate clothing, shoes, and carry extras. Include rain gear and flashlights.

5. Acquaint yourself with the Ranger in the area. Make him aware that you are nearby.

6. Act your age. Do not try to do things which older people are able to do.

7. If you should get lost, do not climb up, as you will be making yourself more inaccessible. Instead, travel down, follow streams, make your way to a clearing where you will be easier seen from the air.

8. Leaders are advised to keep constant count of the members of their group.

"The application of these rules," Pitchess explained, "will go a long way toward eliminating these needless tragedies and will help keep our youngsters happy, healthy, and safe."

Brownie Troop 445
Brownies of Troop 445, sponsored by Perry School PTA recently enjoyed a roller skating party at Torrance Rollardrome, as a climax to their successful Cookie Sale. The group included the leader, Mrs. Helen Kohler, accompanied by Mrs. Mikami and Mrs. Oliver.

Second Flipping Of Coin Edges North High Out

A flip of the coin put North High School's tennis squad into the CIF finals and another flip of the coin edged them out.

North High officials yesterday announced that Beverly Hills, who tied the North 9-1 record, had requested the coin be flipped technically.

The locals weren't so lucky in the second coin flipping episode and Beverly Hills called the turn. So tomorrow instead of the Saxons, the Normans will meet Loyola in the first round of CIF finals.

Pioneer League rules call for a coin to be flipped in case two teams wind up the season with equal records.
